Actual foreign investment industry-wise

3154. SHRI ASHOK MITRA: Will the PRIME MINISTER be pleased to refer to the answer to Unstarred Question 6984 given in the Rajya Sabha on 12th May, 1994 and state UK details of actual quantum of direct foreign investment during the years 1991-92,1992-93 and 1993-94, industry-wise?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): RBI has reported the actual inflow of direct foreign investment as under:—

(Rs. in crores)

Years	Amount
1991	351.43
1992	675.22
1993	1786.00
1994 (upto June)	1130.45

Industry-wise details of actual inflow of foreign direct investment are not centrally maintained.

Export of salt

3155. SHRI V.NARAYANASAMY:
SHRI SANJAY DALMIA:

Will the PRIME MINISTER be pleased to state:

(a) whether India is one of the exporting countries of salt;

(b) if so, the quantity of salt exported per year and the names of the countries to which exported; and

(c) how does India compare with other exporting countries and the reasons for deficiency, if any?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SMT. KRISHNA SAHI): (a) Yes, Sir.

(b) Details are given in the statement annexed *(See* below).

(c) India has been exporting salt including iodised salt to the tune of about four to six lakh tonnes per annum during the last three years.

India's performance in exports as compared to other countries like Australia and Mexico has been low due to various reasons, the significant among these being:—

(i) Slow rate of loading due to inadequate infrastructural facilities at Indian Ports;

(ii) Delay in providing berthing facilities to the Salt Cargo Vessels;

(iii) Lack of sufficient dumping grounds for storage of salt;

(iv) Smallness of most of the Salt Works;

(v) Inadequate financial resources of Salt producers to establish Warehousing facilities at landlocked countries; and

(vi) Inability of the salt producers to supply quality salt as specified by importing countries;

(vii) Lack of information on the export market.
